For better or worse, Canada's history has always been intertwined with that of the United States, even long before Europeans laid eyes on either country. The descendants of Canada's Inuit and First Nations first entered this vast country from northern Asia across the Bering Straits.

Canada — History and Culture

Two European colonial powers dominate the history of Canada and its emergence as a nation: France and Great Britain. In time Britain emerged as the dominant political and cultural force in Canada, but that emergence exemplifies the sense of compromise and cooperation on which Canadian social identity is founded.
