City of Bingham - Transtutors

On paper, the cumulative final exam makes a lot of sense: professors want to know if you deserve the class credit by making sure you know the information they have taught you in the semester. The logic is sound, but upon digging, you will find that these tests are not fair and may not even necessarily be the most effective way to assess knowledge.

Cumulative exams are a problem, here's a solution

As the city's new accountant (lucky you!), it is your job to enter the city's initial accounting information as of December 31, 2016, in preparation for placing the new accounting system in full operation effective January 1, 2017. Required Open the City of Smithville software by clicking on the Cities of Smithville and Bingham program.
