You don't need a slew of remotes to operate your equipment. One jumbo universal remote should do the trick. A jumbo universal remote allows you to program your television, DVD and VCR player all into one remote. Such devices also have the benefit of being large and, therefore, more difficult to lose. If you have a universal remote but you no longer have your owner's manual, and you just acquired a new television or DVD player, you can still program the remote to operate your new device.
