### Loncin Engines Reviews

Cheers guys, I have heard a few good reports from a few guys who have used a loncin. Was thinking about getting one with a 202 for a bit more flow. brandnew with the pump works out about £1200 from that jetmac mob.. Cheers for the feedback.. How much quicker do the petrol washers go through fuel compared to the diesels?

### Loncin engines? Any good?

Honda lawn mower engines use overhead cams in their engines, which are of course, to their own design. These have a number of advantages, including increasing efficiency and power output for a given torque. Loncin is a very good Chinese engine manufacturer that is gaining a growing

reputation for quality and reliability as well as value all round.

### **Which lawn mower engine is best? - MowDirect**

I've had a Loncin powered 2.5kw generator for over 3 years now. I use it for power tools in off grid building maintenance etc. It has performed faultlessly, is easy very to start and reasonable on fuel consumption.

### **Loncin Honda clones.. Any good? - boards.ie**

I have a pressure washer with Loncin engine, I bought it of a reputable company that can give you different combinations-pump/engine set up, when I went for a Demo He showed Me two washers, one with Honda, other with Loncin, the Loncin pressure washer was nearly £200 cheaper, I asked what his opinion on the Loncin was: 1)He had never any engines returned due to manufacturing issues.

Reply #22 Dec 20, 2011 7:17 pm. Maybe so Steve but generally speaking, from what I've read (and experienced), the consensus regarding Chinese engines has been pretty much positive. There are also certain Chinese companies who have improved their products to get a leg up on their competitors. LCT, Champion, Loncin and Kippor seem to be building a good reputation in the Americas.

### **LCT vs. Loncin: who's best?**

I think the Clinton engine is pretty well banjaxed - I can see the piston wobble quite noticeably when I press on it with my finger, and the recoil start is dodgy - so I think the best solution is...
