Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

The first problem with eating an elephant one bite at a time is that it goes bad really quickly. Imagine a huge elephant lying outside of the villager's hut. With the sun and the days, weeks and months it would take to eat the elephant this way, it going to rot pretty quickly and stink up the neighborhood. You Get Really Sick of Elephant

Don't Eat the Elephant One Bite at a Time!

If you had to eat an elephant, you wouldn't eat it all at once. You'd take one bite at a time. By making the unmanageable manageablewith a change in perspective, I made the seemingly impossible completely possible. The brain is amazing but we have to work to control it - every day, every workout.
