Page 1 Book Subscriptions - Page One Books

When publishers wish to distinguish between the front matter and the body, the initial title pages are blind folios, the front matter is numbered using lower-case Roman numerals (i, ii, iii...) and the first page of the body or main content begins with 1. The title page of the body, if present, is a blind folio; similarly, any section title pages (e.g., when the body is broken into multiple parts), are blind folios.

Page numbering - Wikipedia

By default, the page size of a new document is 8.5 inches by 11 inches. Depending on your project, you may need to adjust your document's page size. It's important to note that before modifying the default page size, you should check to see which page sizes your printer can accommodate. To change the page size: Word has a variety of predefined page sizes to choose from.
