infectious downloads.

Rather than enjoying a
good book with a cup
of tea in the afternoon,
instead they juggled
with some malicious
bugs inside their
computer.

In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's
