Approaches to discourse (Book, 1994) [WorldCat.org]

Dr Schiffrin's approach is firmly interdisciplinary, within linguistics and sociology, and her rigorous analysis clearly demonstrates that neither the markers, nor the discourse within which they function, can be understood from one point of view alone, but only as an integration of structural, semantic, pragmatic, and social factors.

GURT 2018: Approaches to Discourse | Georgetown University ...

Possibly the best known application of ethnographic discourse analysis is Tannen's work on male-female communication (Tannen, 1990). Regardless of the technique employed, however, all approaches to discourse analysis embrace the centrality of the communicative act as a symbolic one and the means of communication as themselves symbols.

Discourse analysis: Method and application in the study of ...

Approaches to discourse analysis 1. 1 Introduction The term discourse analysis is very ambiguous. Roughly speaking, it refers to attempts to study the organisation of language above the sentence or above the clause, and therefore to study larger linguistic units, such as conversational exchanges or written texts.
