Volvo Rti Guide

ROAD AND TRAFFIC INFORMATION - RTI Volvo's navigation system is a traffic information and guidance system developed by Volvo. The system guides you to a des-tination and provides information along the route. This provides information on situations which may make your drive more difficult, e.g. accidents and roadworks, and shows you alternative routes.

Many companies offer so-called POI (Point Of Interest) files for download. In certain cases you can use the files to supplement Volvo's maps with information on e.g. speed cameras, campsites, etc. POI files in GPX format work best with the Sensus RTI system, but can also be imported to models with Sensus Navigation to a certain extent.
