xUnit Test Patterns: Refactoring Test Code [Book]

Review: Xunit Test Patterns: Refactoring Test Code User Review - Günter Zschbauer - Goodreads. An exhaustive essay about unit testing. I really love this book because I learned so much, event if it's sometimes somewhat tiring to read due to many repetitions because the book is desiged as a reference book.

xUnit Test Patterns: Refactoring Test Code - Gerard ...

In the previous post I described how to use the Roslyn API to find code patterns in the C# AST and how to change the AST to rewrite the original code to something else. The goal was to automate the conversion of NUnit tests to xUnit. The approach I used was quite tedious, as I had to write a very long chain of ifs and typecasts to get the job done.
